RELEVANT WORK EXPERIENCE

Soroco India Pvt Ltd – Bangalore, India

Senior Graphic Designer: Sep 2025 – Present

- Analysed the existing Workfabric AI digital presence and evaluated potential design and deployment solutions to improve scalability and maintainability of the marketing website.
- Designed and optimised internal newsletters using Figma, improving readability, visual hierarchy, and engagement of company-wide updates.
- Translated complex leadership briefs and Word-based documents into structured, high-impact executive presentations.
- Acted as a bridge between Product and Marketing teams to align messaging and design for the Workfabric AI website launch.
- Converted dense product and business content into clear visual narratives for internal and external stakeholders.
- Contributed to structuring communication flows across web, presentations, and marketing touchpoints for consistency and clarity.
- Explored and implemented Figma Sites as a web design and deployment workflow, contributing to the design and execution of the live Workfabric AI website.
- Developed visual design and style guidelines for the Workfabric AI brand to ensure consistency across marketing communications, website assets, product documentation, and digital campaigns.
- Designed and executed multiple enterprise product pitch decks, translating complex AI and platform capabilities into clear visual narratives for stakeholders and potential clients.
- Produced product tutorial videos and motion-based walkthroughs to support onboarding and product understanding across various Workfabric AI and Soroco platform offerings.
- Collaborated with cross-functional teams (Product, Marketing, Leadership) to align communication and design across key initiatives.

Jumbotail Technologies Pvt Ltd – Bangalore, India

Graphic Designer: Jun 2024 – Sep 2025

- Developed a comprehensive design system for Jumbotail and its subsidiaries, ensuring brand consistency and scalability.
- Created packaging designs for staple products, including Coriander Seeds, Jeera Seeds, Jeera Samba Rice, Mustard Oil, Soya Chunks, Lamp Oil, Lamp Ghee, and Toor Dal, under the Jumbofarms home brand.

- Delivered integrated communication assets across campaigns, ensuring consistency across multiple customer and internal touchpoints.
- Strategised and executed social media marketing campaigns for Jumbotail, enhancing brand visibility and engagement.
- Redesigned app icons for Jumbotail, improving user experience and visual appeal.
- Conducted user research initiatives through customer connect setups, gaining actionable insights into user behaviour and preferences.
- Designed the official website for the Jumbofarms home brand, creating a seamless and engaging online presence.
- Analysed user behaviour data to propose and implement a banner design that resulted in a 1.6x increase in click-through rates (CTR).
- Conceptualised and designed the Superclub, a premium subscription experience, enhancing customer loyalty and satisfaction.
- Collaborated with the Decision Science and Data Analyst teams to develop the Campaign Effectiveness Score (CES), enabling design and merchandising teams to optimise campaign strategies and outcomes.

Cicada Media Pvt Ltd – Bangalore, India

Graphic Designer: Dec 2020 – Dec 2021

- Crafted a brand identity for an FMCG brand encompassing logo design and packaging.
- Conceptualised and created the customer journey mapping for the brand Trippy Goat.
- Created banners and social media campaign for a university's new program.
- Orchestrated and executed a large-scale event by overseeing all facets of an event organisation, from curation to branding, while also efficiently managing vendor teams.

Upapp Factory – Bangalore, India

Visual Communication Designer: Jul 2020 – Nov 2020

- Redesigned the company website's visual identity for enhanced user engagement and experience.
- Strategised and implemented visual improvements in customer service experience.
- Integrated micro-interactions into the company's web strategy, directly resulting in an increase of 15% user engagement.

Levon Homes – Delhi, India

Visual Communication Designer (Co-op): Dec 2019 – May 2020

- Designed graphics, animations, and 3D renders across digital and print advertising channels.
- Curated the visual narrative and directed photoshoots and videography.
- Identified design deficiencies in the company's assets and devised effective design solutions.
- Devised a social media advertising strategy that lifted average daily sales by 10%.
- Produced marketing design assets, including photos, videos, flyers, and spec sheets.
- Secured more than three kitchen interior contracts and drove a notable 30% increase in sales by rapidly assisting with custom graphics needs.

OTHER RELEVANT EXPERIENCE (FREELANCE)

Foley Designs – Bangalore, India

Graphic Design Trainee: Apr 2024 – May 2024

- Conceptualised and executed a unique Independence Day edition packaging design for the 100 Pipers brand.
- Designed and developed the 2024 Christmas edition packaging for the Paul John brand.

Bhansali Art & Craft – Jodhpur, India

Communication Designer: Sep 2018 – Mar 2019

- Executed photography and catalogue design for export products.
- Created six comprehensive catalogues through photography sessions for a diverse array of items.
- Produced designs for exhibitions, including brochures, pamphlets, and a range of stationery items.
- Implemented designs in out-of-state exhibitions, leading to an increase in sales of over 25% compared to the previous year.

Medapp – Bangalore, India

Graphic Designer: Apr 2018 – May 2018

- Collaborated with the marketing team to design packaging solutions.
- Executed advertising campaigns and developed marketing collateral.
- Cultivated engagement to drive company initiatives across various social media platforms.

OTHER RELEVANT EXPERIENCE (INTERNSHIPS)

Titan Company Limited – Bangalore, India

Design Summer Internship: Jun 2018 – Jul 2018, Jun 2019 – Jul 2019

- Conducted retail brand and market studies for the strategic execution of the 2019 fall season launch for the Fastrack division within Visual Merchandising.
- Presented a competitor analysis for facilitating data-driven decision-making for brand strategies.
- Designed advertising graphic templates for Fastrack perfumes.
- Participated and contributed to the design strategy by conducting an in-depth analysis of the upcoming season collection.
- Managed design tasks and coordinated key events, including logo and merchandise design.

MZB World Time Limited – Kwai Chung, Hong Kong

Design Trainee: Jun 2017 – Jul 2017

- Orchestrated order administration and quality control procedures for prominent clients such as JC Penney, Walmart, and Macy's, ensuring product standards.
- Streamlined communication and coordination between China and the USA, in customer interactions and product verification ahead of mass production.
- Collaborated with the design team to create innovative design solutions for esteemed clients and participated in significant client meetings to present new design and technology concepts.
- Implemented a fresh design theme across three countries for mass production and to increase client satisfaction.
- Formulated merchandising and product placement strategies to elevate visibility.
